

## U. S. CONSULATE GENERAL

### PANEL PHYSICIANS – MUMBAI, GUJARAT, CHENNAI, KOLKATA AND HYDERABAD

The U.S. Consulate General has authorized the physicians listed below of this notice to give medical examinations to visa applicants.

**Make your own arrangements for examination by any physician on the list at least seven days before your immigrant visa appointment.**

For each family member, bring

- Original appointment letter
- Passport
- Three recent photographs
- All medical records of vaccinations, prior illnesses or treatments. You must discuss your medical history and current conditions – pregnancy, diabetes, hypertension and other conditions and medications taken – with the physician.

These physicians are Indian citizens practicing locally, and the examination they give to visa applicants conforms to standards and terminology prescribed by the United States Public Health Service. Any attempt by the applicant to influence the physician's medical judgment will reflect unfavorably on the visa application.
